

## **BengaSaVex Project**

A Computational Genetic sequence extraction tool on DNA repeats of multiple gene sequences  
(Project Commenced: Year 2013 – Completed: Year 2014)

## **Publication**

**Olugbenga Oluwagbemi**, Samuel Imolorhe, Victor Agozie, (2014). *BengaSaVex*: A Computational Genetic sequence extraction tool on DNA repeats of multiple gene sequences, **African Journal of Biotechnology Vol. 13(21): 2103-2112**,
